Tentang Sundaf Trip

Bukan sekadar menyusun itinerary kami juga berpengalaman mengurus visa dan dokumen perjalanannya, dari persiapan sampai pengajuan, termasuk untuk negara yang visanya kerap dianggap rumit.

Sundaftrip berawal dari rasa penasaran terhadap tempat-tempat yang jarang masuk daftar liburan orang Indonesia. Bukan Paris atau Tokyo tapi Rusia saat musim dingin, kota-kota tua di Asia Tengah, dan perjalanan panjang melintasi negeri-negeri bekas Uni Soviet yang penuh cerita. Dari perjalanan kecil bersama teman, kami mulai memahami bahwa pengalaman terbaik justru datang dari destinasi yang belum terlalu ramai.

Dari sana kami meluas. Kazakhstan dengan danau-danau terpencilnya. Uzbekistan dengan Samarkand yang biru. Kyrgyzstan yang masih sangat jarang disentuh traveler Indonesia. Tajikistan dengan jalan Pamir yang legendaris. Dan aurora borealis di Murmansk yang membuat kamera gemetar.
